ORIGIN

Mendoza, Argentina

MENDOZA, ARGENTINA

The grapes for this delicious Malbec are grown on an estate specializing in organic viticulture about 30 min outside of Ciudad de Mendoza. The 3rd generation family producer is dedicated to sustainable agriculture, coexisting with nature, and taking care of their people. They make their own compost and meticulously manage their water usage. The vineyards hover at 3,000 ft. above sea level, close to the foothills of the Andes, and are some of the highest altitude vineyards in the world.

PROFILE

A concentrated purple core that explodes with layers of violets, blackberry preserves, and fresh herbs. The mouthfeel is rich and generous with an exceptional fruit balance, plus plenty of spice and tannins on the cocoa-espresso-tinged finish. It will have your palate doing a tango while you contemplate your next move.

FOOD PAIRING

Kind of Grilled! A classic tender steak grilled to perfection then topped with a delicious bath of chimichurri is a perfect pair. Not into it? Try roasted hen-of-the-wood mushrooms in a rich garlic sauce.
