MENDOZA ARGENTINA

WHO IS SANTA JULIA?

Julia is the only daughter of José Zuccardi, the current director of Familia Zuccardi Winery. Created in her honor, Santa Julia represents the Zuccardi Family's commitment to achieve the highest quality levels through sustainable practices, contributing to protect the environment and to develop the community.

"For Santa Julia, sustainability goes beyond caring for the land; it encompasses supporting the people who cultivate it and uplifting the community where we thrive."
